

If you could go anywhere in the world, where would you go?

If you could live in any period of history, when would it be?

If I gave you \$10,000, what would you spend it on?

If you could change anything about yourself, what would you change?

If you could watch any movie right now, what would it be?

If you could be someone else, who would you be?

If you could talk to anyone in the world, who would it be?

If you could have any question answered, what would it be?

If you could wish one thing to come true this year, what would it be?

If you could listen to any song right now, what would it be?

If you could have any kind of pet, what would you have?

If you had one day to live over again, what day would you pick?

If you could do any job ten years from now, what would it be?

If you could eat any food right now, what would it be?

If you had to be allergic to something, what would it be?

If you could learn any skill, what would it be?

If you sat down next to Stephen Curry, Beyoncé, or President Obama (pick one) on a bus, what would you talk about?

If you were sent to live on a space station for three months and only allowed to bring three personal items with you, what would they be?

If money and time were no problem, what would you be doing right now?

If you could buy a car right now, what would you buy?
